MANUFACTURING INDONESIA 2018 CLOSING TODAY

Dear [*data('given_name')|html*],

Today is the last day of **Manufacturing Indonesia 2018**. Don't miss your last chance to learn about new industry trends, technologies and products and interact with over **32,000 trade buyers** and **1,515 exhibitors** at the show floor. We wish you enjoy the last event day!

Yours Sincerely,

Manufacturing Indonesia Team

MANUFACTURING INDONESIA ON METRO NEWS TODAY

Manufacturing Indonesia 2018 is featured on today's TV program "**Selamat Pagi Indonesia**" on **Metro News**.

Toshiyuki Ogata, President of Fanuc and **Rudyhandjaja Elawitachya**, Chairman of Fanuc demonstrated how their company's robomachines help bringing innovation and efficiency to the manufacturing processes. Alongside **Maysia Stephanie**, Project Director of Pamerindo, they shared their views on how the current smart manufacturing technologies contribute to achieving Industry 4.0 in Indonesia.

DAY 3 SEMINAR HIGHLIGHTS

THE HIGH SPEED SOLUTION FOR PRODUCTIVE GEAR CUTTING
by *PT. OERLIKON BALZERS ARTODA INDONESIA*

The session featured industry trends and knowledge on topics like how to bring cutting tools technologies forward for higher productivity and more reliable production and to increase manufacturing efficiency.

WHAT OUR EXHIBITOR & VISITOR SAID AT THE EVENT

"We are confirming our 7th participation to exhibit at Manufacturing Indonesia for next year as we always gain most customer achievement in the event."

Tasya, Factory Automation System Marketing, MITSUBISHI ELECTRIC INDONESIA

"Manufacturing Indonesia connects us to industry players so we are able to optimize our company performance especially in upgrading manufacturing tools."

Helena, PT. Artifisial Teknologi Persada
