Official Technology Partner :

EXHIBITION GUIDE

ABOUT #MFI2024

Step into Southeast Asia's premier manufacturing stage—Manufacturing Indonesia 2024! Celebrating 35 years of trailblazing innovation, this landmark event has become the ultimate destination for industry giants and emerging leaders alike, uniting to propel the future of manufacturing. As the most comprehensive manufacturing exhibition in the region, it brings together the latest technologies, solutions, and services from around the world, creating an unparalleled platform for growth, collaboration, and inspiration.

Incorporating Machine Tool Indonesia, Tools & Hardware Indonesia, and Industrial Automation Indonesia & Production Logistics Indonesia, this one-stop event delivers the most efficient and impactful way to expand your business in Southeast Asia's largest manufacturing market. From groundbreaking machinery to revolutionary automation and logistics solutions, everything your factory needs is here, all under one roof!

Manufacturing Series of Exhibitions:

4-7
DECEMBER 2024

Jakarta International Expo, Kemayoran
Jakarta - Indonesia
Hall : A(1,2,3), D(1,2), B(1,2,3), C(1,2,3)

ABOUT ORGANISER

PT Pamerindo Indonesia is the leading trade fair organiser in Indonesia, established with the sole purpose of organizing specialized trade exhibitions for the Indonesian market. The company has grown considerably and now regularly organizes over 20 trade exhibition in the following sectors: Beauty, Building & Construction, Electric & Power, Food & Hospitality, Laboratory, Manufacturing, Mining, Plastics & Rubber, Oil & Gas sectors. Since its inception PT Pamerindo Indonesia has organized over 200 international trade exhibitions in Jakarta, Surabaya and Bali.

PT Pamerindo Indonesia is part of Informa Markets, a division of Informa plc. Informa Markets creates platform for industries and specialist market to trade, innovate and grow. Our portfolio is comprised of more than 550 international B2B events and brands in markets including Healthcare & Pharmaceuticals, Infrastructure, Construction & Real Estate, Fashion & Apparel, Hospitality, Food & Beverage, and Health & Nutrition, among others.

We provide customers and partners around the globe with opportunities to engage, experience and do business through face-to-face exhibition, specialist digital content and actionable data solutions. As the world's leading exhibitions organizer, we bring a diverse range of specialist markets to life, unlocking opportunities and helping them to thrive 365 days of the year.

TKDN Hub: Empowering Local Content for Global Impact

Explore innovations and solutions that prioritize Tingkat Komponen Dalam Negeri (TKDN) compliance, showcasing the best of local manufacturing capabilities. Meet key stakeholders, from government bodies to leading industries, and discover how TKDN policies are transforming supply chains, boosting competitiveness, and fostering sustainable development. Whether you're looking to enhance your TKDN strategy or connect with partners committed to strengthening local content, the TKDN Hub is your go-to destination for insight and collaboration.

ONSITE PROGRAMMES

A graphic for the Saw Master Competition. On the left, the words "SAW MASTER" are written in large, bold, white letters with a black outline. Below this, a yellow banner contains the text "@ MANUFACTURING INDONESIA 2024". Further down, the text "THE ULTIMATE SAWING COMPETITION OF SKILL AND SPEED!" is displayed. On the right, an illustration shows a man in a dark t-shirt and gloves, leaning forward and using a hand saw to cut through a metal plate. A yellow banner at the top right of the illustration says "6 DECEMBER 2024" and "JIEXPO KEMAYORAN". At the bottom right, there are logos for "MANUFACTURING INDONESIA SERIES" and several other organizational logos.

THE ULTIMATE SAWING COMPETITION OF SKILL AND SPEED!

6 DECEMBER 2024
JIEXPO KEMAYORAN

MANUFACTURING INDONESIA SERIES

Saw Master Competition: Precision Meets Power!

Get ready for an intense display of skill and precision as participants battle it out using hacksaws to cut through metal with speed and accuracy. This thrilling competition tests strength, technique, and focus as contestants strive to be crowned the ultimate Saw Master. Witness the sparks fly and cheer on the champions of craftsmanship in this high-energy showdown!

A graphic for the Spinning Top Competition. At the top left, it says "A PAMERINDO INDONESIA TRADE EVENT" above the "MANUFACTURING INDONESIA SERIES" logo. Next to it is the logo for the "Indonesia Mold & Dies Industry Association". The main text "SPINNING TOP COMPETITION" is in large white letters on a red background, with "is back at #MFI2024" below it. A date and location banner at the bottom left says "7 December 2024 | At JIExpo Kemayoran". On the right, a 3D rendering of a spinning top is shown. To its right, text reads: "Unleash your creativity in crafting the ultimate top spinning masterpiece! Seize the chance to win amazing prizes and connect with leading experts in the industry." At the bottom right, there is a QR code and the text "Scan to Join The Competition".

Informa BetterStands

Moving away from disposable stands together.

Better quality. Better safety.
Better experience.

Better Stands: building a sustainable future for the events industry.

What is the plan?

- Support our exhibitors to move away from the use of disposable stands.
- Ensure that all stands are designed and built with reuse in mind.

What will improve?

- Significantly reduced waste.
- Lower carbon footprint.
- Safer working environment on-site.
- Improved customer experience.
- Potential cost savings.

How will this benefit exhibitors?

- Smoother and more efficient build and breakdown.
- Highlights and protects the sustainable credentials of exhibitor brands.

What do exhibitors need to do?

- Follow Better Stands regulations as part of your contract
- Appoint a stand contractor who has sustainability credentials
- Ensure your stand contractor is briefed on Better Stands from the outset.

How will we do it?

- Promote reusable stands and prohibit disposable builds.
- Ensure stands are made from sustainable materials.
- Work with exhibitors to find the solution that fits their needs.
